

With this letter, I (“Tenant/Account Holder of Record”), as the account holder of record for gas utility service, authorize The Peoples Gas Light and Coke Company (“Peoples Gas”) to disclose my previous calendar year’s monthly gas records (“Tenant Gas Usage”) for purposes of aggregating my Tenant Gas Usage with the gas usage records of other account holders of record in the building (collectively, the “Aggregated Usage”) for the building located at \_\_\_\_\_ (the “Building”).

The monthly Tenant Gas Usage information shall be combined or aggregated with the gas usage of other tenants and the building owner’s gas usage. That aggregated monthly gas usage for the previous calendar year shall be provided by Peoples Gas to the Building owner or its authorized representative.

The Tenant Gas Usage shall be used solely for the purpose of the Building owner’s energy usage reporting obligations, as described above, under the City of Chicago’s Building Energy Use Benchmarking Ordinance (City of Chicago, Building Code, Chptr. 18-14-101.1 et al.).

The authorization shall be valid for the current program year and shall remain a valid release for future program years as long as Tenant is located at the Building. The Building owner or property manager or otherwise authorized agent of said party is responsible for maintaining accurate copies of the authorization forms for each program year.
