The Company may impose an Operational Flow Order (OFO) in order to adequately maintain the integrity of its system. The Company may first request CFY Suppliers to voluntarily take actions to alleviate the supply situation that is threatening operational integrity, to the extent possible. If such voluntary actions do not alleviate the situation that is threatening operational integrity, the Company will impose an OFO. The Company will designate each OFO as an OFO Supply Shortage Day or an OFO Supply Surplus Day. Notice of an OFO will be posted on the Company's electronic bulletin board or in a manner and format determined by the Company and available to all customers and suppliers no less than two hours prior to the Company's nomination deadline for Rider AGG deliveries. An OFO could change the Daily Delivery Range for CFY Suppliers. An OFO arising from a need for CFY Suppliers to decrease their daily nominations shall be an OFO Supply Surplus Day. An OFO arising from a need for CFY Suppliers to increase their daily nominations shall be an OFO Supply Shortage Day.

The CFY Supplier shall be responsible for delivery expenses of its gas to the Company's system and shall ensure deliveries to Company facilities are in accordance with the contract hereunder. The Company shall not be obligated to accept delivery of any CFY Supplier-owned gas that does not conform to the contractual quality specifications.

If the CFY Supplier shall fail to comply with or perform any of the conditions or obligations hereunder, the Company may: (i) after verbal and written notice, suspend receipt of CFY Supplier-owned gas into the Company's system until the CFY Supplier cures such failure; or (ii) terminate all service 10 days after providing written notice, unless the CFY Supplier cures such failure during this ten-day period. The suspension or termination of service for any such cause shall not release the CFY Supplier from the obligation to make payment of any amounts due or to become due in accordance with terms of the contract hereunder.

Upon termination of service, the CFY Supplier's Pool MSQ, shall be cashed out at an amount equal to the current month's AMIP. The CFY Supplier shall also cash-out the Monthly Cash-out Quantity pursuant to Section D of this rider.

The Company may terminate service to a Rider CFY customer in accordance with Rider CFY and 83 Illinois Administrative Code Part 280. The Company shall notify the CFY Supplier of the effective termination date, and subsequent EDU shall exclude said customer's consumption.
